

District 91 Building & Grounds Committee
Health Life Safety Sub-Committee
February 12, 2007

The District 91 Building & Grounds Sub-Committee met at 6:00 p.m. on February 12, 2007 in the Kelvin Grove LRC.

Members Present: Tom Murphy, Adam Woodworth, Pete Vasiliades, Jim Pierson,
John Holloway, Jack Glasscock, and Donna Gray
Members Absent: None
Others Present: None

The committee members discussed the pros and cons of the RFPs submitted by Honeywell and Chevron. Phone surveys conducted by Mr. Pierson with references provided by each company were reviewed and discussed.

The committee agreed that both proposals were strong. The committee members also agreed that Chevron brought other items to the table such as possible ways to finance the project. The committee discussed the need for the committee to be able to give input on the project and the importance of being a part of the process. The desire to have people managing the project who live in the area was discussed.

The committee came to consensus on the recommendation of Chevron as a partner for this building project.

The next sub-committee meeting is scheduled for February 21 at 6:00 p.m. in the Superintendent's office.

The committee adjourned at 7:20 p.m.
