

District 91 Building & Grounds Committee
May 9, 2006

The District 91 Building & Grounds Committee met at 6:30 p.m. on May 9, 2006 in the Kelvin Grove LRC.

Members Present: Adam Woodworth, Pete Vasiliades, Jim Pierson, John Holloway,
Donna Gray, Tracy Carlson, Jack Glasscock, and Tom Murphy
Members Absent: None
Others Present: None

The committee members discussed the 10-year Life Safety Report and the possibility of performance contracting. Honeywell proposed a two phase program at approximately 3.3 million dollars. The committee discussed the scope of these projects and other possible solutions that would be more financially reasonable. The committee will report information on this project back to the board and determine the next step.

The committee discussed the need for better enforcement of parking rules. Mr. Murphy suggested that towing signs be purchased and violators towed. The committee directed the superintendent to check on the cost of towing signs and the availability of local companies. The enforcement of handicapped parking rules was reviewed and the need for painting curbing yellow and adding signage stating no unattended vehicles.

Summer work lists were reviewed and modified by the committee.

The committee adjourned at 7:28 p.m.
