

*Our Mission: to support the educational needs and initiatives of
Milne and Kelvin Grove Schools.*

July 30, 2018

Dear Friend,

The D91 Education Foundation is pleased to announce that we will again be planning the **D91 Fun Run**, on **October 13, 2018**, as an annual fundraising event to support the needs of District 91 teachers. **We need your help!**

The run was created by two teachers, Lia Ditter and Heidi Waxweiler, with the goals of (1) promoting a healthy lifestyle, (2) bringing families and the community together and (3) raising funds to support educational needs in the classroom. We are thrilled to be working with these wonderful and caring teachers.

Enclosed you will find information about the 5K run and how your business can be part of it by becoming **sponsors**, **running/walking** with us, or **BOTH!** Please make all checks payable to the D91 Education Foundation. We look forward to your participation!

Sincerely,

Donna Likar
D91 Foundation President
