Homework

Homework is part of the District's instructional program and has the overarching goal of increasing student achievement. Teachers may give homework to students to aid in the student's educational development. Homework should be an application or adaptation of a classroom experience and should not be assigned for disciplinary purposes.

Recognizing the importance of parental involvement in homework, the Superintendent or designee shall ensure that parents/guardians are informed of, (1) whom to contact with questions or concerns about homework assignments, and (2) methods to facilitate homework completion.
