

## 20-21 Blended/Remote Commitment Form

Child's Name \_\_\_\_\_ Grade \_\_\_\_\_

Continued family engagement is a priority both during in-person and remote instruction. Lockport D91 believes home is an extension of the classroom and a strong caregiver-school partnership will lead to the most successful outcomes.

### **In either remote or in-person learning, Caregivers will**

- Review weekly work plans for students
- Develop a routine regarding healthy work, sleep, and technology time.
- Talk to students about their work every day
- Communicate openly with teachers

### **Caregiver responsibilities and expectations in Remote learning**

Caregivers will :

- Reserve a space for students to complete remote work
- Set a schedule to help students establish and follow regular daily routines
- Request technology support, as needed
- Encourage students to follow the school's behavior expectations despite being remote
- Support their children in submitting assignments

### **Caregiver responsibilities and expectations for in-person learning**

Caregivers will:

- Send students to school when healthy, and remain home when sick
- Limit international travel and unnecessary travel
- Practice and encourage appropriate mask-wearing with the student
- Make it a habit to practice healthy handwashing and hygiene
- Practice and encourage social distancing with the student

## 20-21 Blended/Remote Commitment Form

**Caregivers can expect from the district:** Access to technology; a common platform where all students can access resources; Parent Square as our regular communication tool; print materials where appropriate; predictable work routines for students; board adopted core curriculum tools and content; and timely student feedback
