Lockport Township High School

# Fresh Start

Dear Parents/Guardians and Students of the Class of 2023,

Lockport Township High School is excited to present Fresh Start for the summer of 2019. The Fresh Start program will involve study skills, metacognition, personal development, media center skills, and recreation in an instructional camp setting aimed at ensuring a quality transition to Lockport Township High School for our newest Porters.

The participants will be exposed to a variety of study skills including reading, writing, researching, test taking, note taking, and public speaking. They will have the opportunity to engage in large and small group interactions, team building, fun activities, and field trips.

In an effort to avoid conflict with other camps and enable all interested students to experience Fresh Start, we will be offering one three-week session at the Freshman Center. The classes meet **Monday through Thursday from 8:00 a.m. to 12:00 p.m. from June 10 through June 27, 2019.**

The cost is \$170 per student. The fee will include a student workbook, supply fee, activity fee, and a camp T-shirt. This unique opportunity is available to all students of the Class of 2023 at LTHS. Should there be any financial hardships or concerns which might otherwise prevent your student from participating, please contact Patricia Surman, Assistant Principal of Central Campus, at 815-588-8203.

For your convenience, there is a free bus transportation option. There will be designated stops to be determined at a later date.

Fresh Start is an excellent opportunity to promote academic success through enhancing study skills, boosting self-confidence, and making new friendships. Our experience with the program has proven its effectiveness.

There are two registration options. The easiest way to register is to do so online. You can visit this link to register and pay: <http://bit.ly/lockportfreshstart2019>. If you would like to pay by check, you must download the registration form and mail it in with your check: <http://bit.ly/freshstartreg2018>.
