Wandmaker

Eleven-year-old Henry Leach VIII is from a long line of wandmakers – capable of creating and using magical wands that confer amazing abilities. He has inherited mysterious powers, a trunk full of strange artifacts...and a whole host of problems. His little sister is mistakenly transformed into a hedgehog in the crossfire of Henry's first major spell! Then the two siblings are dragged into an epic confrontation between good and evil when an ancient villain named Dai She plans to destroy the world.

Wandmaker's Apprentice

Henry and Brianna, have survived a faulty spell, defeated a wicked spellcaster, and saved the world, but their greatest accomplishment might be convincing Grand Wand Master Coralis to take them on as official apprentices. For the first time in centuries, the reclusive Wand Master has opened the doors to his castle and invited a new generation of Wandmaker's to learn the secrets of the craft. But danger lurks around every corner in a world of magic, curses, and fantastical beasts.
