

District 91 Finance Committee
April 18, 2016

The District 91 Finance Committee Workshop began at 7:00pm on April 18, 2016 in the Kelvin Grove LRC.

Members Present: Marge Otis, Jeff Howell, Courtney Oxley-Turner, Dan Dorion, Robert Maida, and Donna Gray.

There was no public comment or participation.

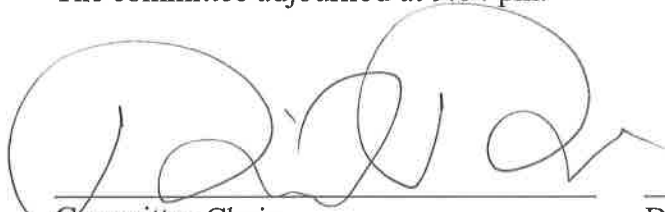

The members discussed items to be included in the FY17 budget including educational programs, schedules, and financial projections.

The current amount of time devoted to mathematics was discussed along with the pros and cons of moving to a block schedule in the middle school. Financial implications of moving to a block schedule were discussed along with the possible financial implications of an altered GSA formula.

The members also discussed data from the 2016 accelerated ELA classes.

The associated costs of implementing a 1:1 technology initiative in 6-8 grade was also discussed. Devices would be included in a new lease agreement. If the IRTL is approved for District 91 it would be possible to have a device available to each child in grades 2-8.

The committee adjourned at 9:04 pm.
