Lockport Township High School
District 205

Welcome Parents & Guardians of the LTHS Class of 2031!

We look forward to our partnership in your child's education. We know your student is just beginning their 8th grade year, but ready or not, it is time to start the process of enrolling them for high school. The first step is to complete our Online Enrollment form, followed by our Placement Exam. Please read this complete document, as it explains several upcoming important events for you and your student as Freshman year approaches.

LTHS Online Enrollment is open NOW through November 15th for current 8th grade students

- **If you do not have a current student** enrolled at LTHS, proceed to www.lths.org and click I am…Current 8th Grader. Click the New Family Online Enrollment button and select **Incoming 9th grade 27-28 school year** to begin. This option applies if this is your first student to attend Lockport High School, or if you had a prior LTHS graduate but no current LTHS students.

- **If you have a current student** at LTHS, login to your Campus Parent Portal. Under the menu, click MORE, then click ONLINE ENROLLMENT and follow the prompts to enroll your student.

Every student needs to be enrolled through the Online Enrollment and you MUST upload the following documents:

- Student's certified, county issued birth certificate-we do not accept souvenir certificates from hospitals. If you cannot find your official birth certificate, please order another copy. We cannot process enrollments without the birth certificate.

- Custody/Guardianship paperwork, if applicable (if the child is not residing with the parents listed on the birth certificate.)

- NOTE: We are **NOT** requiring proofs of residency at this time. Parents/guardians will upload those documents as part of the spring **LTHS Annual Update**. You will get a mailing in April with instructions on how to create your Parent Portal accounts and upload proofs of residency, pay school fees, submit medical records, and more.

PreACT 8/9 Placement Exam

Lockport Township High School is collaborating with our partner districts to administer the PreACT 8/9 test, which is one metric used to place students into courses at the high school level. The 8th Grade placement test will occur during the window from Monday, October 19th through Friday, October 30th. Your student's current school will communicate the specifics of the test to you at a later date. If you attend a private school other than St. Dennis/St. Joseph, please see the Make Up day info below.

Placement Test Make up Day: Thursday, November 5th at 4:00pm at LTHS Central Campus, 1222 S. Jefferson Street, Lockport.

Any student who is absent on the assigned day with their school, or any other 8th grade student who lives in our district, and attends a non-traditional partner school, may test on the make up day at Central Campus. No bus transportation will be provided. This is the final date for testing at LTHS.
