Homeowners Only- No business waste !**

Book Reuse and Recycling Event

The Annual Will County Book Event has been scheduled tentatively for June 4th thru June 6th, 2021. It will be located on the grounds of the Pilcher Park Nature Center located on Highland Park Rd. in Joliet. Schools and libraries can share gently worn books with other schools and families. The park will be open from June 1st through June 3rd for schools/libraries to drop off books between 9 am and 4 pm. Appointments, for drop off, must be made with Tim Anderson of the Will County Land Use Department. Contact Tim Anderson at 815-774-7897 or by email at tanderson@willcountylanduse.com .

Teachers can browse through the books between June 1st through June 3rd for curriculum. Children's books are sought after each year!

Please be aware during this time face masks will be required to be worn inside the building. Furthermore, Will County and Pilcher Park will evaluate Covid regulations as the event nears. We will notify all schools that make drop-off appointments regarding any modifications and cancellations.

POWER HALF HOUR

GARDEN TO GO KIT

Grow Your Own Spring / Easter Basket Grass

Pick up a kit and learn how
to grow your own live grass
for your basket

MAR • 25 • 2021
6-6:30 PM
VIA ZOOM

Would you like to have a more eco friendly Easter/Spring Basket this year? Replace that plastic, non-recyclable Easter basket grass with live grass you grow yourself. Join Will Co Master Gardener Coordinator, Nancy Kuhajda, for a quick 30 minute Zoom class on March 23 from 6-630 to learn how to grow your Easter basket grass. Registration includes Garden to Grow Kit you pick up at the University of Illinois Extension Office in Joliet that includes seeds, potting mix container and educational materials. All details and registration info here:
